

**Stone County Developmental Disability Board**  
**Summer Camp Scholarship Program**  
**12/1/2017**

1. SCDDDB will provide Camp Scholarships of up to \$760.00 per person per year for adults and children to attend recreational/social activities and camping programs. The number of camp scholarships available for the following summer will be established by the Board of Directors upon adoption of its annual budget.
2. The Board will make available information about known camping opportunities through the county-wide Service Coordination program.
3. Families/advocates of consumers desiring to apply for a Camp Scholarship are required to contact their Service Coordinator for assistance with submission of summer camp applications and confirmation of availability of funding.
4. For those camps that require an online Camper Registration, the family/advocate should complete the application from a computer of their choice and present a printed confirmation of acceptance from the camp along with their application for a Summer Camp Scholarship. Any required deposits will be paid by the family/advocate; these are not reimbursable by the SCDDDB.
5. It is the Board's desire that all county residents have an equal opportunity to participate in the Summer Camp Scholarship program.
6. To ensure that each county resident has an equal opportunity to benefit from the Summer Camp Scholarships made available, the Board will not award scholarship funding to any consumer in two consecutive years unless all other applicants have been accepted and funding is still available.
7. Consumers who are selected to receive a Camp Scholarship will be informed of such by their Service Coordinator and assisted with notification of the summer camp to which they have applied.
8. The consumer's family/guardian/advocate shall be responsible for all required annual physical examinations, transportation, travel costs, supplies and ancillary expenses.
9. The Board will make payments directly to the camp for selected consumers whose applications are accepted.

Effective Date

This ordinance shall be in full force and effect from and after the date of its passage and approval.
